THURSDAY - - - - July 12, 1888

Chamber of Commerce.

The regular meeting of the Chamber was held on Tuesday night.

After the minutes had been read, the canvassing committee reports were dealt with.

Mr. Gale said the amount he had collected was \$13.

Mr. Stevens reported that he expected to receive subscriptions from the implement companies, but had to wait the sittings of the boards in Salt Lake.

Mr. Freshaw had had promises of subscriptions amounting in the aggregate to about \$400, but as the majority of the subscribers were hard-working people, he did not care to collect the amounts until it was ascertained what the betterable-to-pay portion of the city were going to do.

President Emerson considered the advertising scheme a failure.

Mr. Young reported on the banks. The general impression gained was that whatever they did it would be on the understanding that \$5,000 would be raised. As this appeared to be almost an impossibility, interest in the matter had become slack.

The other committees had no collections to report.

A discussion ensued as to whether it was desirable or not to further prosecute the canvases and also as to what should be done with the funds already promised when collected. It was ultimately decided to continue to collect subscriptions and canvass for more.

A number of suggestions were offered and discussed, but nothing of a practical character followed, and the Chamber adjourned.

Successful Operation.

A daughter of Mr. Richard Fry, of Morgan City, while engaged on Tuesday sewing some embroidery had the misfortune to break her needle, which penetrated the palm of her left hand. The sharp pointed piece of steel at once commenced working its way toward the thumb and eventually lodged somewhere between the fingers. As all the efforts by her friends to free it from where it had become embedded were futile, and the pain caused being very bad to put up with, Mr. Fry decided to bring her to Ogden and place her under Dr. J. N. Allen, who succeeded, after some time in skillfully extracting the annoying needle.

Personals.

H. R. Eldridge, of Salt Lake, is in town.

GEORGE CROSTAR, of the Promontory, is in the city.

JOHN SHARP, of the capital, was in town on Wednesday.

GEORGE MAXWELL, the Salt Lake vinegar man, is in the city.

JOHN R. HOWARD, of Salt Lake, has been interviewing our merchants.

Commissioner's Court.

The case of Wm. Brown, who was charged with horse-stealing, was up yesterday before Commissioner Cross. Brown plead guilty, and was bound over in the sum of \$500 to await the action of the grand jury.

Police Court.

O. A. Moyer, disturbing the peace, \$12 was extracted from him.

Walter Beatty was charged with petit larceny, consisting in the penutation of a pair of pants. Evidence being insufficient the charge was dismissed.

First District Court.

Judge H. P. Henderson presided. The minutes were read and accepted.

An order was made for an open venire for twenty-four grand and forty-eight petit jurors.

Briefs.

Hon! Chestnuts!

LOCKED WATER in demand.

"Hie to the mountains, hie!" is being the cry all round.

The county bridge which spans the Weber River is undergoing repairs.

HON. L. W. SHURTLEIFF is at present in Provo. The Probate Court is consequently closed.

The Ogden willow wields and leather trundlers meet their Salt Lake rivals at Lake Park to-day.

MR. STEPHEN BROWNING had two of his fingers injured on Tuesday, while at work behind Clark & Shaw's store.

MR. EDINGER, of the Salt Lake Valley & Eastern, goes over the proposed line on a professional tour of examination and inspection.

LOOK out for tramp burglaries and Knights of the team petty larcenies. Anything, however, available, if it cannot be lited and carried away, will be allowed to remain behind.

LAKE PARK, on July 18, will be quite alive with Ogden's merchants and clerks. The boys will undoubtedly enjoy themselves; it is their want to do so whenever opportunity arises. This is the merchants' treat.

ON Tuesday one of Mr. James Wetherapood's clerks, probably wishing for a little earthly caloric to bring into opposition to Old Sol-upset at lamp and caused a conflagration. It was soon extinguished, however, and but little damage done.

MR. OLSEN, who resides at Milton, Morgan County, is sick almost unto death suffering from heart disease. The young gentleman is about twenty years old and much respected. Dr. Powers is doing all he can, but little hopes are entertained of a perfect cure being effected. We condole.

The Perfection

Of the age in the medical line is the liquid fruit remedy, Syrup of Figs, manufactured only by the California Fig Syrup Co., San Francisco, Cal. It is agreeable to the taste, acceptable to the stomach, harmless in its nature, painless, yet prompt and thorough in its action. For sale by A. C. Smith & Co.

"There are a few things that I believe in with a very hearty heart, and it affords me pleasure to tell of one of them." The speaker was E. S. Smith, Albert Merritt, head of the large fruit firm, 82 Park Place, N. Y., and the scene his office. "I was sick, and feared that I had become fated to endure the tortures of dyspepsia and a dangerous affection of the kidneys. A relative said to me: 'Why don't you try Dr. Kennedy's Favorite Remedy?' I did so. I grew steadily better, could eat, digest, sleep, work with a clear head, and the yellow color of my skin had given place to the tones

I thought it was due to impure blood and disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy. I did so, and have been completely cured. It's the best thing I ever heard of for any disorder of that nature, and I've recommended it to many with like success."

★ **For Dyspepsia and Sick Headache.** ★
I suffered for many years with these complaints and was cured by Dr. Kennedy's Favorite Remedy." Mrs. S. C. Dougherty, Millville, N. J., says: "I had been a sufferer from Dyspepsia since I was sixteen years old. I could find no relief, and had almost given up in despair, when Dr. Kennedy's Favorite Remedy was recommended, which I tried and am now cured. It is the best medicine I know of."
